

Chain of Custody Certificate

PricewaterhouseCoopers LLP has assessed whether the Chain of Custody process at

Georgia-Pacific LLC

133 Peachtree Street, N.E., Atlanta, GA 30348-5605 USA

is suitably designed to provide reasonable assurance that the requirements of the standards noted below (the Requirements) have been met, as of June 23, 2017.

SCOPE OF CERTIFICATION:

The multi-site Chain of Custody process and labeling practices at the central office in Atlanta, GA, the facilities included on the attached list (Appendix 1) and the activities of the Wood & Fiber Supply Group in procuring fiber and determining the certified status of the fiber.

Sustainable Forestry Initiative® (SFI) 2015-2019 Chain of Custody Standard

PEFC™ International Standard – Chain of Custody of Forest Based Products – Requirements (PEFC ST 2002:2013)

Management is responsible for ensuring the Chain of Custody process meets the Requirements. Our responsibility is limited to expressing an opinion as to whether the Requirements were met, based on our assessment. The SFI standard can be found at www.sfiprogram.org. The PEFC standard can be found at www.pefc.org.

Our assessment was conducted in accordance with the ISO 17021:2011 management system auditing standard and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met and performing such other procedures as we considered necessary in the circumstances. We planned and performed our work in order to obtain reasonable, rather than absolute, assurance with respect to the information examined. We believe our work provides a reasonable basis for our opinion.

In our opinion, the Chain of Custody process was suitably designed to provide reasonable assurance that the Requirements were met, in all material respects, as of June 23, 2017.

Chain of Custody and Controlled Wood Certificate

PricewaterhouseCoopers LLP has assessed whether the Chain of Custody and Controlled Wood process at

Georgia-Pacific LLC

133 Peachtree Street, NE, Atlanta, Georgia 30348-5605 USA

is suitably designed to provide reasonable assurance that the requirements of the standards noted below (the Requirements) have been met, as of June 23, 2017.

Forest Stewardship Council Chain-of-Custody Certification FSC-STD-40-004 (V2-1) EN

Evaluation of FSC Controlled Wood FSC-STD-40-005 (V2-1) EN

Forest Stewardship Council Multi-site Chain-of-Custody FSC-STD-40-003 (V2-1) EN

Forest Stewardship Council Sourcing of Reclaimed Material Standard: FSC-STD-40-007 (V2-0) EN

Management is responsible for ensuring the Chain of Custody and Controlled Wood process meets the Requirements. Our responsibility is limited to expressing an opinion as to whether the Requirements were met, based on our assessment. The FSC standards can be found at www.fsc-info.org.

Our assessment was conducted in accordance with the ISO 17021:2011 management system auditing standard and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met and performing such other procedures as we considered necessary in the circumstances. We planned and performed our work in order to obtain reasonable, rather than absolute, assurance with respect to the information examined. We believe our work provides a reasonable basis for our opinion.

In our opinion, the Chain of Custody and Controlled Wood process was suitably designed to provide reasonable assurance that the Requirements were met, in all material respects, as of June 23, 2017.
